**ORDER:**

In the G.O. 1st read above, the Government created the Department of Information Technology & Communication Department as an Officer oriented Department with Secretary to Government as the Head of the Department. In the G.O. 2nd read above, the Government accorded sanction for the revised organisation structure of the IT&C Department consisting of 33(thirty three) posts in all.

In the G.O. 4<sup>th</sup> read above and subsequent orders of Finance (SMPC) Dept., accorded permission for continuation of permanent/temporary posts sanctioned to the Department.

Due to bifurcation of the State of AP in to State of Telangana and residual AP from the appointed day of June'2<sup>nd</sup> 2014, the posts continued in the G.O.4<sup>th</sup> read above has been bifurcated among the two States. The posts permitted in the G.O. 5<sup>th</sup> read above have also been bifurcated among the two States. Though the minimal staff existing in united AP has been allocated among the two States, the Projects/Schemes which were continued in united AP are being continued in the State of Telangana also. Since the volume of work and implementation of schemes/project remains same and they have to be continued in Telangana State also, the Department felt that the requirement of Officials and DEOs/Assistants/Office subordinates to assist the Officers working in the Department including Peshis of Secretary/Prl.Secretary are very much essential in addition to the Officers/Staff allocated to the Telangana State.
